

A-Z Women's Center
1670 East Flamingo Rd, Suite C
Las Vegas, Nevada 89119
Tel: 702-892-0660

Your appointment has been scheduled for _____
at _____ am/pm.

If you want local anesthetic (numbing medicine only) or Nitrous Oxide gas during the procedure, please follow these instructions:

- **Eat breakfast or lunch before coming to the office.** We **DO NOT** want you to have an empty stomach from the night before. We will be offering you pre-operative medication to help with any discomfort and/or nerves. This medicine **CAN** upset your empty stomach. **Please** eat so that you may choose these additional medications while in our office. Eating will **NOT** affect your choice of anesthesia **because you are NOT having GENERAL ANESTHESIA.**
- No children are allowed in the waiting room/office/or entry way for the courtesy of all guests having terminations.
- Wear something comfortable so you can undress easy from the waist down.
- **PLEASE** wear regular panties. No g-strings, t-backs, or thong underwear.
- Do not wear a one piece outfit. We want you to be able to leave a shirt on during your entire visit.

If you want the doctor to give you medications to relieve anxiety and to control pain during the procedure, you should also follow these instructions:

- All of the above **PLUS** you **MUST** arrange for someone to drive you home. They do not need to sit here and wait, but they **MUST** come back for you. **You will not be able to leave alone on the bus, in a taxi, or driving by yourself.**

The total cost for your visit will depend on how far pregnant you are by ultrasound.

5.0 - 11.6 weeks will be	\$ 500.00
